This is Shepherd College. Shepherd is more than just buildings and people. The campus covers a great deal more. To Shepherd students, the bridge, the river, and the monument are all part of their lives at Shepherd.

The James Rumsey Monument, a lofty oblique rising high above the river where James Rumsey first navigated his steam boat, has a place in the memory of Shepherd students for many different reasons. This memorial has seen many generations of Shepherd students come and go, and its steps have provided a resting place for sightseers, studious students, and sometimes even couples whose thoughts are far away from the classroom.

The park surrounding the monument blossoms every spring with beautiful lilacs, azaleas, and forsythia, but during the fall and winter, the leaves fall and the monument is cold and bleak against the grey Potomac.

No matter what the season, the monument is an institution to our student body. Memories are made there, and thus it will serve in the making of memories for future students of Shepherd College.

The campus, the monument, the river—these are the things that are Shepherd College. The eternal Potomac, where the regatta is held every spring, where parties are held every week, and where students go just for relaxation. This is as much a part of Shepherd as Knutti Hall or Popodicon. As the river flows by, so do the four years that students are here. Time passes quickly at Shepherd, and too soon it is time to leave.

The beautiful Potomac River or Cohongoroota as the Indians called it, which means Wild Goose River.

## NEW STUDENT RECEPTION

The flower gardens at Popodicon attract many visitors each spring and fall.

Each year President and Mrs. Oliver S. Ikenberry formally greet all incoming freshmen and new students at the President's estate, Popodicon. The new students are also presented to the chairmen of the college's eight academic divisions and other faculty members. This reception gives the students a chance to meet their advisors and professors outside of the classroom and to learn to know them better. The friendliness among Shepherd's students, faculty members, and administrators has become a tradition that is impressed upon all new students on their arrival to the campus.

Popodicon's sundial garden with its wisteria-covered arbor in the background is one of the outstanding features of the President's estate.

Freshmen and other new students are welcomed by the Division Chairmen at the President's Reception.

Leonardo da Vinci was an engineer, an inventor, and an artist. During the fifteenth century in Italy, he created working models and sketches of "things to come." Many of his ideas were thought to be nonsense; today, however, most of his ideas have become a reality. We take for granted the machine gun, the water pump, and the airplane. But, in Leonardo da Vinci's day, these things were only the dreams of a brilliant man ahead of his time.

These working models of da Vinci's inventions are on loan from the International Business Machines Corporation, which contracted the building of working models of da Vinci's work.

# PRESIDENT OLIVER S. IKENBERRY RETIRES

The current academic year marks Dr. Ikenberry's twenty-first year of service as President of Shepherd College. During this period the college has grown significantly, both in size and in academic offerings. Dr. Ikenberry's Master Plan of growth, expansion, and development in all academic and physical areas has been rewarding. Over 2,800 graduates have gone out to serve the state and the nation during the past twenty years. When he assumed the Presidency in 1947, the buildings on campus were McMurran-Reynolds Hall, Knutti Hall, White Hall, Snyder Science Hall, and Miller Hall. Today there are twenty-six buildings with twenty more in the planning stage.

At the annual Alumni Banquet held on June 1, 1968, Dr. and Mrs. Ikenberry were honored and presented with a silver fruit bowl by the Alumni Association and with a color television set by the faculty and administration. Mrs. Ikenberry was presented with a hand-painted broach by the senior class and Dr. Ikenberry was presented with a portrait in oils of himself to be hung in the new administration building by the student body of Shepherd College.

We wish Dr. and Mrs. Ikenberry success and happiness in their future endeavors.

## VARSITY FOOTBALL

The Shepherd College football team closed out its season with a 3-5 record. Coach Roger Parker and his able assistants did a commendable job in conditioning the team for their long hard season. The Rams loved home crowds and tried to please them by winning the Homecoming game over West Virginia Tech 11-0 and by beating Bridgewater at the Parents' Day Game 21-6.

Outstanding players for Shepherd this year were Kip Frace, Lynn Carr, and Ray Napier, all seniors. Kip led our offensive in total yards gained for the season. Named as Honorable Mention to Small College All-American Lynn Carr was a defensive standout for the Rams by averaging 24 tackles per game. Another defensive player, Ray Napier, was named to the All-Mason-Dixon Conference team.

## VARSITY BASKETBALL

With the basketball season well concluded, the Shepherd College Rams can look back on a 1967-1968 season which had successes along with disappointments. Coach George Hill and the squad were dissatisfied with the 7-17 won-lost record.

Senior Charles Coffman led the Rams in most departments including: scoring, assisting, shooting percentage, and foul shooting. Forward Mike Loovis concluded his Ram hoop career by providing the team's leadership.

While the varsity had rough sledding through much of the season, the Ram's Freshman team posted a 12-3 record. Most of these boys will be available and will be able to play on the varsity team next year.

# SWIMMING

The Swimming team opened its 1967-1968 season on December 1 against Lynchburg, winning 70-24. Setting a new school record, Doug Hood, Skip Hale, Ernie Pride, and Ron Koski swam up white water in the 400 yard freestyle relay.

Starting the season with 12 tank men and a series of pool problems, Coach Erwin Fieger tried to mold a winning team against these odds.

## TRACK AND FIELD

Shepherd's 1968 track team, its first in several years, is to be commended on a fine showing this year. The Rams have participated in three track meets, and the WVIAC meet and the Mason Dixon meets.

In their first meet of the year, Shepherd competed against Shippensburg State College and Millersville State College. The Shepherd harriers placed as follows in this meet: Ed Cannon placed 3rd in the mile; Gary Hall 3rd in the 100 yd. dash and 4th in the 220 yd. dash; Mike Hankins 4th in the high hurdles; Calvin Peterson 4th in the shot put; George Grantham 3rd in the discus; and Tim Payne 4th in the javelin.

Shepherd next ran against Eastern Mennonite College, coming out on the short end of the score, 86-59, but winning nine first places. Point leaders for the Rams in this meet are as follows: Gary Hall - 11½ points, Randy Wingfield - 10 points, Harding Wescott - 8½ points, Jim St. Clair - 6½ points, George Grantham with 6, Calvin Peterson 5, Tim Payne 5, Dick McDonald 4, Paul Allen 1½, and Ed Cannon and Mike Hankins 1 each. Shepherd won the shot put, discus, javelin, pole vault, high jump, 440 relay, 100 yd. dash, 220 yd. dash, and the high hurdles.

Shepherd also did well in the final meet of the season against Randolph-Macon. The following Rams placed well in this meet: Randy Wingfield placed 2nd in the pole vault and won the intermediate 440 hurdles; George Grantham 2nd in the discus; Tim Payne 2nd in the javelin; Calvin Peterson 3rd in the shot put; Ed Cannon 2nd in the mile; Gary Hall won the 100 yd. dash but was disqualified because of false starts, and won the 220 yd. dash; and Don Gladden 3rd in the two mile run.

Row 3: Ron Brenig, Larry Shane, Bernard Hott, Mike Green, Jeff Myers, Bill Lewis, Donald Jones, and Jerry Vermillion.

## BASEBALL

The 1968 Baseball season under the coaching of Jesse Riggleman came to a close with a 2-11 win-loss season. Sophomore Dick Grimes led the team with a batting average of .420. He was followed closely by senior Jerry Mezzatesta with a .415.

The team was hindered by inexperience, since there were only 5 returning lettermen from last year. The 1969 season looks brighter because there are only 3 seniors on the team.

Tom Washington hits another single.

## EDITOR'S PAGE

Another busy year has quickly come to a close. It seems as though registration day was only yesterday and yet graduation is already over. Each year many new faces appear on campus and many old faces and old friends depart.

I would like to take this opportunity to thank my assistant editors Susan Mentzer and Sonny Hoeltzel, my graduating sports editor Elaine Gray, and all of my other co-workers and staff members and our advisor, Mr. Henry W. Perry. Without their continued efforts and cooperation, the **Cohongoroota** could not have been a success.

Best wishes to next year's **Cohongoroota** staff.

*Karl L. Wolf*
